CHQ Speech Pathology Australia funded interpreter, translator and speech pathology training resources

1. Applicable to

The interpreter, translator and speech pathology e-learning resources developed by Children's Health Queensland Hospital and Health Service funded by the Speech Pathology Australia Queensland Registration Board Legacy Fund Special Purpose Grant 2018.

2. Requirements

- Anyone external to Queensland Health (QH) can copy, distribute and modify the QH resource provided QH is appropriately acknowledged for the original creation, but the external user cannot use the QH resource for commercial purposes.
- Others may copy, distribute and adapt the material, but only for non-commercial purposes (a commercial use is one primarily intended for commercial advantage or monetary compensation).
- The following acknowledgments and intellectual property statement **must** be included in all future copies and modifications of the resources:

Acknowledgments

This training was [developed through/modified from the original resources developed through] a project completed by Children's Health Queensland, funded by the Queensland Registration Board Legacy Fund Special Purpose Grant awarded by Speech Pathology Australia in 2018.
