

Birth to 5 years: drop-in clinics

Free parenting support for families with babies and young children.

The child health nurses can answer any parenting questions and weigh your child in a short consultation.

If you would like to have the Red Book health checks done, you will need to make an appointment by calling 1300 366 039 or you can ask the child health nurse to book one for you.

If you'd like an interpreter, please let us know as soon as possible so we can arrange one for you.

No appointment needed however registering ahead of time by calling the drop in clinic pre-registration line 1300 245 126 will reduce administration time on the day.
