

I have spare time today,  
I think I'll spend it  
searching through a list  
of every printer in every  
Queensland hospital till I  
find the one I need...

**SAID NO ONE EVER**

**Why not make it easier to find the ieMR items you  
use frequently by setting up your favourites?  
You can customise items such as:**

Printers

Note types

Documentation  
note templates

Diagnosis and  
problems

Allergies

**Check out our cheat sheets to find out how. Boom!**
