## Placing Orders - Physiotherapy

### Quick reference guide

**Note:** An initial referral is ordered as a Consult while reviews should be ordered as a Follow up. There should only be one Consult per encounter.

### Ordering a Consult to Physiotherapy

1. Go to **Orders** and select **Add** (note that there are two options with the same function)

2. Type **Consult to physio** in the Search field

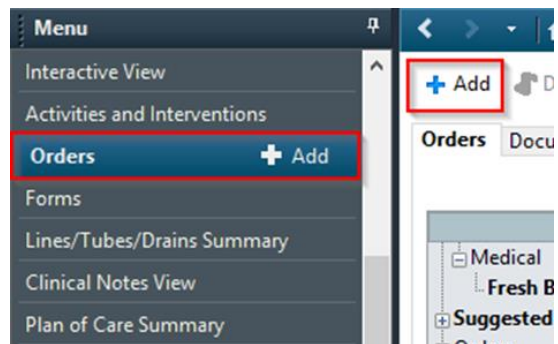

3. Select **Consult to Physiotherapy**.
4. Click **Done**
5. Select a **Reason for Consult** from the dropdown.
6. Complete the **Additional Comments** on the details tab as per the Physiotherapy Business Rules.
7. Complete the **Order Comments** (next tab) as per the Physiotherapy Business Rules.

8. Select **Sign**
9. Enter your **Password** and click **OK**

### Ordering a Follow up to Physiotherapy

1. Go to **Orders** and select **Add**.

2. Type **Follow up to physio** in the Search field

3. Select **Follow up to Physiotherapy**.
4. Click **Done**
5. Complete the **Additional Comments** on the details tab as per the Physiotherapy Business Rules.
6. Complete the **Order Comments** (next tab) as per the Physiotherapy Business Rules.
