Queensland Centre for Perinatal and Infant Mental Health

Charter

“Successful parenting is a principal key to the mental health of the next generation.” – John Bowlby

AIM
All parents, caregivers and communities will have the confidence, knowledge, skills and resources to support their own wellbeing and raise emotionally healthy and resilient children.

PURPOSE
To provide leadership and advocacy in the development and delivery of services that support perinatal and infant mental health.

VALUES
Respect, Integrity, Care, Imagination

GUIDING PRINCIPLES:
- We will communicate effectively
- We will collaborate with each other
- We will use recovery-oriented practice

WE WILL DO THIS IN WAYS THAT ARE:
- Family-centred, culturally-sensitive, evidence-based, accessible and responsive
