

# Queensland Clinical Senate

Clinician leadership. Consumer collaboration. Better care.

## eCDS

Hannah Christensen, *Physiotherapist,*  
*Queensland Child and Youth Clinical Network (QCYCN) Project Officer*

# The 'What?'

- Integrated Child Development Service, partnership between QCYCN, Children's Health Queensland and South West HHS
- eCDS Rural & Remote trialed 2019/20 service into local health facilities
- eCDS Metro 2020 during COVID-19 service into family homes

Children's Health Queensland Hospital and Health Service  
Child and Youth Community Health Service

## e-CDS

Child Development Service

Partnering with local services and families to support child development services closer to home

Clinical Excellence Queensland

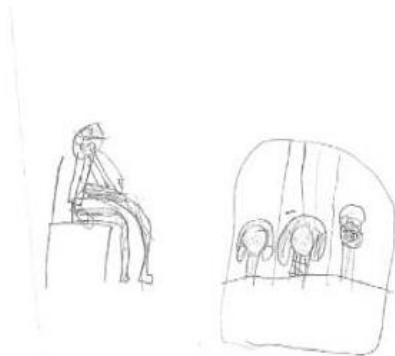

Queensland Government

# The 'So what?'

## From little things, big things grow

*'I feel like a breath of fresh air has come over me... to hear from a professional what I was thinking.'* Charleville Mother

- High engagement: 100% attendance rate, 85% of families identified as Aboriginal or Torres Strait Islander

he waited for two minutes  
and finally he found out  
he got to talk to three  
ladies.

# The 'Now what?'

- New eCDS Rural & Remote partner NWHHS (July 2020)
- CHQHHS embed to BAU (evaluation of family choice)

## **Invest in innovation:**

- Place based commissioning
- Proactive outpatient strategies
- Reforming funding:
  - Invest in prevention
  - Reward patient improved outcomes
  - Care in the right setting
  - Equity in access to care
  - Have productivity & efficiency dividends
  - Cross HHS boundaries & are partnership services
